

Breastfeeding Support Group

at the
Circle of Life Centre

Wednesdays beginning May 2

1:30pm to 3:00
616 Mowat Ave

If you are breastfeeding or making milk or plan to, know that you have someone here to help! Yup, the proverbial “they” say that breastfeeding is natural but sometimes there are some major or minor bumps in the road to nursing or making milk successfully.

This weekly group is for those nursing a child or those who are almost there...
